# Community Matters

## Commitment to Helping our Communities Thrive

At Michigan One Community Credit Union, we thrive in our commitment to serving and uplifting our communities. Our sponsorship of prominent local events such as the Ionia Free Fair, the Greenville Danish Festival, Carson City Frontier Days, and the Alma Highland Festival reflects our dedication to fostering unity and celebration within the areas we serve. These events not only bring joy and excitement to our communities but also provide valuable opportunities for connection and camaraderie, allowing our communities to thrive.

Furthermore, our commitment to helping our communities thrive extends beyond event sponsorship. At each M1 office, we are passionate about supporting a chosen charity, rallying together to raise funds and awareness to make a tangible difference in the lives of those in need. Additionally, our collaboration with community schools underscores our dedication to investing in the future generation. This commitment is exemplified by the annual \$1,000 scholarship awarded to graduating seniors from Alma High School, Greenville High School, Ionia High School, and Carson City-Crystal High School. Through these initiatives, we aim to empower individuals to thrive and reach their fullest potential, ensuring a brighter future for our communities. And let's not forget the impactful M1 Community Bonus program, which occurs every December, rewarding community based charities, schools and non-profits.

Michigan One committed over \$107,000.00 to community based events, charities, fundraisers, etc., in 2023
